

**APPEAL #488**

**LAKEVIEW COVENANT CHURCH  
950 NORTHBROOK AVENUE  
NORTHBROOK, IL 60062**

## Lakeview Covenant Church

Lakeview is a young church founded six years ago to pursue the vision of "Transformation: Making Disciples of All Nations." We've been reaching out mainly to English-speaking, multiethnic young professionals in the Chicago area. About six months ago, however, God placed a burden on our hearts to reach out to the Korean-speaking population in our area, the majority of whom are unchurched.

As we prayed about this calling, God opened a door for us to engage in a conversation with Korean Central Covenant Church (KCCC), who had experienced some challenges in recent years. After several months of prayer and discussion, God has led Lakeview to embrace KCCC members as part of the Lakeview family. We have now become one family of God despite our language and cultural barriers. Together we are preparing to launch a Korean campus to reach out to the 100,000 non-Christian Koreans in Chicagoland.

We are worshiping in KCCC's building, and we are currently renovating the education wing in order to create a warm and inviting place where visitors can come and experience the life-transforming work of Christ. We're excited to take part in the ministry of reconciliation—reconciling people to God and to each other. May God be glorified as we continue to follow his voice.

### Prayer Requests:

- Pray that our new church building will be used to expand God's Kingdom.
- Pray for the evangelization of the 100,000 non-Christian Koreans in Chicago.
- Pray for God's anointing on our pastoral staff and launch team.

# Living Hope Covenant Church

Colorado Springs, Colorado

## **APPEAL #426 & 481 —FUNDS RAISED: \$38,492.63**

With great excitement, Living Hope Covenant Church in Colorado Springs has completed its remodel. While our facility, which was built just a few years ago, was charming, it significantly limited our ability to grow. Now we have removed those barriers by adding a parking lot and a new entrance, moving our offices, and expanding our worship area. Using Kingdom Builders funds, we have also upgraded our sound, video, and projection system. Sermons are now available on our website in both audio and video formats.

We have also added a new welcome center and started an exciting program for following up with visitors, based on recommendations in the book *Fusion*, by Nelson Searcy. As a result, Living Hope is now far more visitor friendly. First-time guests can now check out our services on the web. Once they decide to visit they will find ample parking, easy access, plenty of seating in our worship area, and will be greeted by a host with a warm beverage and a gift to thank them for coming. Thank you to all the Kingdom Builders who helped make these changes possible.
