Sustaining Pastoral Excellence

Evaluation Form - **Character**

This evaluation is intended to promote reflective thinking. Your reflections will help us fulfill the learning mandate that is central to Lilly and to this program. Please use this form to process your experience, and attach responses to this form.

Section I.

Please write a one-page narrative, answering the following questions.

- a. How has the studying the ministry of spiritual direction to become a director benefited your personal growth?
- b. Where has the spiritual direction program prompted refreshment in your walk with Christ?
- c. What new insights have you gained about yourself, your church, and your ministry through spiritual direction?

Section II.

Please answer each of the following questions in short paragraph form.

1. How has your understanding of God grown, changed or shifted?
2. What new habits would you like to begin integrating in your daily routines? How will you begin?
3. What is your long range plan for continue growth towards pastoral excellence? Please be specific, with appropriate time-lines if possible.
4. We welcome any comment you would care to make on your SPE experience as a whole.

Section III. - *Optional*

Would you be willing to share a testimonial about your experience that we could publish? If so, please attach a short statement describing how spiritual direction has helped your growth in Christ.

-Remember to include Reimbursement form and receipts with this form.-
