## Kids Helping Kids to Focus on Haiti

The annual children's service project is now known as "Kids Helping Kids," and this year our focus is on Haiti. This project is an opportunity for children in our churches to partner with children in Haiti. This free resource includes a poster and booklet and can be found at [CovBooks.com](http://CovBooks.com). Included in the booklet are 24 stories about life in Haiti from children. In a short time (approximately five minutes), you can read a story, pray for the children in Haiti, and take an offering. The curriculum is flexible and can be used weekly for 24 weeks, monthly over the course of a year, or adapted to fit your needs. Through Kids

**New children's curriculum for 2014 focuses on children in Haiti.**

Helping Kids, children will connect with the bigger picture of God's kingdom and provide a tangible reflection of Christ's light in the world.
