

Church Statistics by Conference

Key to Column Categories

Statistics are as of January 1, 2019, unless otherwise noted, and reflect changes in the 2018 year. The FINANCIAL INCOME and EXPENSES categories reflect the churches' 2018 fiscal year experience as reported. Churches are listed alphabetically by state, city, and name within each conference.

YEAR ORG: Year the church was organized.

12/18 MEMB: Total membership, as of December 31, 2018.

AVG ATTN: Average attendance reported in the November 2018 attendance report.

TOTAL INCOME: All local revenue, but not appropriations.

TOTAL EXPENSES: Total expenditures from general operating budget, but not ECC support or regional conference support.

CONF GIVING: Contributions from the local church to all regional Covenant ministries including camps, institutions, and the regional conference budget according to local church records.

DENOM GIVING: Contributions from the local church to all denominational causes according to local church records.

PER CAPITA INCOME: Per capita income by attendance.

CONF GIVING %: The percentage of local church income given to the conference budget.

DENOM GIVING %: The percentage of local church income given to the denominational budget.

Conference Apportionment

Churches are listed alphabetically by state, city, and name within each conference.
