

4 FINAL YEAR DETAILS

- All permanent credential candidates must notify the Ordered Ministry of their desired completion date at least one year in advance.
- The Ordered Ministry will send a letter of invitation to all potential candidates one year prior to finalization, inviting them to enter that year's process or postpone to a later date.
- By September 1 (in the fall prior to finalization) candidates must submit the following items to the conference office:
 - Application for appropriate credential
 - Final comprehensive paper
 - Evaluation by local church leadership
 - Example of proclamation (OWSa candidates only)
- OWSa, OWSe, and Commissioning candidates must initiate a two-year mentoring relationship with a seasoned colleague in ministry, to begin one year prior to finalization, and to continue through their first year in ministry post-finalization. This relationship serves to coach the candidate through the process, reflect with the candidate on the meaning of the process, discuss ways to develop patterns of self-care and accountability, and explore continuing educational opportunities to study together.

Ordered Ministry of the ECC

A Brief Guide to Permanent Credentials

FIRST THINGS FIRST: CALL

The Ministerium of the Evangelical Covenant Church (ECC) maintains high standards for its ministerial credentials, recognizing that those who are called and gifted to serve in vocational ministry are trusted with sacred responsibilities. We strongly believe that call to such ministry is discerned not only individually, but corporately. Candidates for credentialing in the ECC must demonstrate a multi-voiced call, receiving the affirmation of the local church, the regional conference, and the denomination.

In order to seek permanent credentialing in the ECC, you must:

- be called to ministry,
- be affirmed by the church or ministry setting, and
- participate in the Covenant Pension Plan (if serving a Covenant church).

“Permanent” credentials refer to those which are bestowed by laying on of hands at the Annual Meeting of the denomination on candidates who have been carefully examined in matters of faith, theology, and call.

The permanent credentials in the ECC are:

- Ordination to Word and Sacrament (OWSa)
- Ordination to Word and Service (OWSe)
- Commissioning
- Consecrated Missionary

Each credential is appropriate to specific callings within the structure of a church or other ministry setting. The ECC accepts Transfer of Ordination candidates for both ordinations offered.

Ordained to Word and Sacrament candidates usually feel called to a lead or solo pastor role in a church, but may serve in a variety of roles, including chaplaincy and staff positions.

Ordained to Word and Service candidates are called to a staff ministry position in an area of specialization (i.e., youth, children, camping, administration, music, etc.), but contribute to the whole life of the church.

Transfer of Ordination candidates determine which category of ordination best fits their call and circumstances.

Commissioning candidates are also called to staff ministry in an area of specialization, but differ in their educational background from OWSe candidates.

Consecrated Missionary candidates are called to long-term missionary service and should contact Covenant World Mission directly to discuss their credentialing requirements and process.
