A Brief Guide to Ministerial Licensing

The Evangelical Covenant Church

An Overview

THANK YOU for your interest in licensure in the Evangelical Covenant Church!

The Evangelical Covenant Church (ECC) grants a ministerial license to persons who are called to serve in Covenant churches and other approved ministries. Licensure is reserved for those who, by demonstration of character and gifts and by virtue of place of service, require credentials in order to perform pastoral ministry.

This brochure outlines the requirements for receiving a ministerial license in the ECC and explains the steps involved in receiving a first-time license. For information on receiving a permanent credential, such as ordination, commissioning, or consecration, please contact the Ordered Ministry.

There are three license types in the ECC:

6 STEPS TO BECOMING LICENSED

1 In order to receive a license in the Evangelical Covenant Church, you must:

- Be a member of a Covenant church
- Have a call to a Covenant church or approved ministry (such as military or institutional chaplaincy, para-church ministry, etc.)
- Contact your conference office to verify which license you qualify for, and request that an application packet be sent to you.

2 Read all of the resources in the packet and return the following items to your conference office:

- Completed and signed license application
- Signed policy on baptism
- Disclosure form
- Criminal record screening and processing fee
- Minister's Profile Form
- Licensing Paper
- Formas de Orientación al Pacto (si es aplicable)
- Covenant Orientation enrollment forms (if applicable)
- Pension Plan enrollment forms (if applicable)

3 You will be interviewed by your conference committee on ministerial standing. You must receive its recommendation before receiving your license. You may be asked to rewrite a portion of your licensing paper.

4 The conference office will send all of your license paperwork to the Ordered Ministry, where it is kept on file. You will then be sent an interim license certificate, which allows you to perform ministerial functions in the interim period before your license is approved at the Covenant Annual Meeting.

5 The final approval of your license will be voted on for recommendation by:

- Your conference ministerial association
- Your conference annual meeting
- The Board of the Ordered Ministry
- The Covenant Ministerium
- The Covenant Annual Meeting

6 If approved, you will receive your first-time license certificate in July, following the Covenant Annual Meeting. The license will remain in effect through June 30 of the following year. Expect to receive a license renewal application from your conference office in the spring.
