- 40% off hearing testing and diagnostics

Currently, I in 9 Americans (that's 36 million people!) have hearing loss & that number is expected to <u>double</u> by 2030. But 95% of hearing loss can be treated with hearing aids.

It's simple with Amplifon.

Call Amplifon at I-888-823-2I30 and a Patient Care Advocate will assist you in finding a hearing care provider near you.

Our advocate will explain the Amplifon process, request your mailing information and assist you in making an appointment with a hearing care provider.

Amplifon will send information to you and the hearing care provider.
This will ensure your Amplifon program is activated.

Call us at 1-888-823-2130 to take advantage of these great offers.
