Key Facts

Membership in the Mission

1. There were 1,051 credentialed voting delegates representing 430 churches. This represents the largest number of voting delegates at an Annual Meeting. The breakdown of voting delegates by conference is as follows: Alaska, 16; Canada, 5; Central, 139; East Coast, 61; Great Lakes, 69; Midsouth, 12; Midwest, 127; Northwest, 261; Pacific Northwest, 98; Pacific Southwest, 149; Southeast, 16. (In addition to the 953 voting delegates from local churches, there were 98 general voting delegates.) Total registered conference attendance, including general conference, was 1,228 people, representing 443 churches.

2. The ECC received 12 churches into membership, representing combined approximate attendance of 1,159.

3. Seven churches were voluntarily removed from the membership roster: six had closed and one withdrew its membership.

4. After much debate, one church, First Covenant Church of Minneapolis, was involuntarily dismissed from the roster of Covenant churches by a vote in executive session that surpassed the required two-thirds majority needed. Delegates debated the matter in two, 30-minute sessions after presentations by both First Covenant Church of Minneapolis and the Covenant Executive Board, which brought the recommendation for removal before the Annual Meeting, having found the church to be out of harmony with the ECC on human sexuality and pastoral credentialing.

5. After the vote, the Annual Meeting delegates responded with a prayer of lament, which can be found at gather.covchurch.org/wp-content/uploads/2019/06/Gather19-Prayer-of-Lament.pdf

6. Delegates also voted to remove the credentials of Steven Armfield and Daniel Collison after extended debate in executive session.
State of the Mission

7. The report of the president and video archives of all Gather ‘19 proceedings will be located at gather.covchurch.org.

10. The ECC ended the 2018 fiscal year with an operating budget surplus of approximately $13,000. Expenses were roughly $444,000 or 2.65 percent over budget due to the increase in church planting activity. Covenant churches gave a total of $8.4 million to ECC mission and ministry for a 1.3 percent increase in local church giving. However, individual donor support was down by 1.3 percent. Overall total income was 4 percent ahead of budget, offsetting a 3.9 percent increase in total expenses over budget.

11. Delegates honored and prayed for 20 new church planters.

12. Five churches signed agreements of intention to plant in the ECC in partnership with their local conferences.

13. The Covenant Pension Plan, which provides retirement benefits to approximately 2,400 active and retired pastors, missionaries and their surviving spouses, remains well funded at 99 percent of the projected actuarial liability of $244.3 million. After a number of years of diligent review and consideration by the Board of Pensions, Director of Pensions Paul Hawkinson brought an amended pension plan, which the delegates overwhelmingly approved. The major changes are as follows: the plan will be closed to new participants after 12/31/2019; a new mandatory 403(b)(9) will be required for new credentials after 2019. Enrolled participants will have a future option to switch to the 403(b)(9). Participants over the age of 65 (but still enrolled) will direct all future funding to the 403(b)(9). Both plans preserve future use of the housing allowance designation for participants. The Board of Pensions will launch a match fund to augment the 403(b)(9) contributions in under-resourced settings.

14. Bethany Benefit Service provides medical, dental, prescription drug, vision, life and long-term disability benefits to pastors, missionaries, office staff, surviving spouses and families. Bethany Benefit Service held 2019 medical rate increases to 3 percent, much lower than rate increases in the broader healthcare environment.

15. The Covenant Companion received a total of 20 awards for its work in 2018 at the Evangelical Press Association and Associated Church Press conferences, including five first place honors.

Living Faithfully in the Mission
