## GOAL

To start a camping program in Jordan that seeks to empower and equip campers to go deeper in their relationship with God through scripture and community.

JORDAN

**JORDAN** is a country in the Middle East next to Israel.

*When the Bible talks about "the Gentiles" it is referring to Romans, Greeks, and Arabs who became followers of Jesus.*

**JORDAN** is the home to some of the oldest Christian communities—they are Arab Christians.

Unlike camps here in the U.S. and Canada, Jordan does not have forests and lakes.

The Bible Society of Jordan is starting a camping program by creating a mobile camp program that can go into the cities and the countryside.

*CAMP SUPPLIES: Bibles, tents, sleeping bags, microphones, speakers, and supplies for archery, crafts, cooking, etc.*

Your donations will help build and furnish a smaller traveling storage container filled with supplies for the mobile camp.

Through these  
camps the  
**Bible Society of  
Jordan** hopes to:

Rekindle or increase  
campers' knowledge  
of and relationship  
with Jesus

Create a setting where  
they can introduce Jesus  
to those who do not  
know God

Care for refugee  
children in their land

**Join us in this  
adventure to go to  
the land where Moses  
traveled and help kindle  
the fire for expanding  
God's love in Jordan.**
