For more information about your coverage, or to get a copy of the complete terms of coverage, please visit <u>www.covchurch.org/benefits</u> or call (800) 313-8955. Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	\$400 individual/\$800 family <u>network</u> . \$800 individual/\$1,600 family <u>out-of-</u> <u>network</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. Office visits, preventive care visits, preventive screening, urgent care, outpatient mental health, outpatient substance abuse are covered before you meet your network deductible. Copayments and coinsurance amounts don't count toward the network deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$1,800 individual/\$3,600 family combined <u>network</u> and \$3,600 individual/\$7,200 family out-of- <u>network</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services, after your deductible and copayments. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-</u> <u>of-pocket limit</u> ?	Network: Copayments, deductibles, premiums, balance-billed charges, and health care this plan doesn't cover. Out-of-network: Copayments, deductibles, premiums, balance-billed charges, prescription drug expenses, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
