NAME:

**You are about to begin an adventure with Jesus by BLESSing others. Just as the disciples of Jesus recorded their experiences with Jesus in the Bible, you can record your BLESS adventure using this Adventure Journal. You will find space to write and space to draw. No matter how your journey goes, remember that Jesus is with you and loves you.**

EAT OR EXPERIENCE TOGETHER

Remember, you can share more than one snack or more than one experience together.

What was it like?

What have we done together?

How might I pray differently now?

**SERVE WITH LOVE**

*How have I been serving?*

**You can serve the one you are praying for but you can also serve together.**

*How have those I am Blessing helped me?*

*How might I pray differently now?*

SHARE YOUR STORY

How have I shared my Jesus story with others?

How have they responded?

**You can tell your story  
or you can make a picture  
book or a drawing of  
your story and share it.**

**Questions or thoughts I have for Jesus:**  
Someone in your family or a teacher, can help you write your answers.
