

# HMS

Heart. Mind. Strength.

Discovering the passions, knowledge, skills, and gifts each person brings to the congregation and beginning to uncover how those assets can empower mission.

## Guiding Scripture

“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength” (Mark 12:30).

## Format

Available both online and in person

2 ½ hour workshop

## Presented by

### Missional Vitality

HMS is an asset assessment workshop for congregations. It is helpful to have a high percentage of the congregation participate. While this workshop can be offered either virtually or in person, we recommend an in-person experience if possible. Based on the Great Commandment, the workshop aims to help participants:

- Discover their areas of expertise, passions, spiritual gifts, and skills—in other words the assets that they bring to the whole body.
- Gain an overall picture of how they are “wired” to serve God.
- See the giftings each person brings to the church
- Identify what specific next step they each can take to accomplish the church’s mission.

It also can help church leadership recognize the assets of the congregation that can be included in strategic ministry plans.

This workshop uses a combination of visual and auditory instruction, discussion in both large and small groups, brainstorming, videos, graphics, and music to meet the learning needs of the community.
