carrying water for her family*

## EVERY STEP YOU TAKE IS ONE THEY WON'T HAVE TO.™

**Why 6K?** It's the average distance people in the developing world walk for water every day.

**On May 18, 2024**, when you and thousands of others cross the finish line, you'll change the lives of women and children by helping to free them from a life spent collecting dirty water.

Register now! [covchurch.org/6K](https://covchurch.org/6K)

World Vision is a Christian humanitarian organization dedicated to working with children, families, and their communities worldwide to reach their full potential by tackling the causes of poverty and injustice.
