PROJECT INCOME

PROJECT EXPENSES

● Medical Programs ● Economic Development ● Infrastructure

Celebrating 100 Years of Gospel Engagement in Karawa, DR Congo

Dental Training in DR Congo

- Partnered with ITEC (Indigenous People's Technology and Education Center)
- 9 Technicians from Each Health Zone Were Trained in Dental Extractions

Ultrasound Training in DR Congo

- 6 Congolese physicians who had never received ultrasound training before learned how to perform ultrasound exams using five new state-of-the-art handheld portable ultrasound devices.
- Training and equipment will enable doctors to make quicker diagnoses, improving quality of life and reducing infant mortality.

Midwinter PCP Lunch with Julie Malyon, RN, Medical Ambassador

Julie Malyon, RN

- Executive Director of CARE Clinic Red Wing, which provides free medical, mental, and dental health care for the uninsured and underinsured population in Goodhue County, MN
- 2023 Virginia McKnight Binger Unsung Hero Award
- PCP Medical Ambassador since 2014

Medical Equipment Arrives in Karawa

Lois Carlson Bridges Nursing Scholarship

Biking for Congo Challenge: Annual \$50,000 Goal for Healthcare in DR Congo

\$39,126 raised in 2023!

The Biking for Congo Challenge is Paul Carlson Partnership's annual peer-to-peer fundraising event every October to support healthcare in DR Congo.

We invite you to join us!
